Annex to the letter dated 29 September 2009 from the Permanent Representative of Egypt to the United Nations addressed to the Secretary-General

Statement by the Coordinating Bureau of the Non-Aligned Movement on the Situation in the Occupied Palestinian Territory, including East Jerusalem*

The Members of the Non-Aligned Movement (NAM) express their serious concern about the situation in the Occupied Palestinian Territory, including East Jerusalem, as a result of continuing illegal actions by Israel, the occupying Power. In particular, NAM expresses grave concern about the ongoing illegal Israeli settlement colonization campaign being carried out in the Occupied Palestinian Territory, with shocking intensity in and around Occupied East Jerusalem, and the inhumane, unlawful Israeli blockade that continues to be imposed on the Palestinian civilian population in the Gaza Strip and the resultant dire humanitarian crisis.

NAM expresses alarm at recent attacks carried out by the occupying forces, including extremist settlers, against Palestinian worshippers at Al-Haram Al-Sharif compound in Occupied East Jerusalem. NAM condemns Israel's continuing provocations, aggression and illegal actions against the City's holy sites and against its Palestinian inhabitants.

NAM reiterates its condemnation of all illegal Israeli actions and provocative measures aimed at altering the demographic composition, geographic nature, character and status of Occupied East Jerusalem and the rest of the Occupied Palestinian Territory. NAM expresses grave concern that, in defiance of the clear international consensus rejecting such colonization activities and in flagrant breach of international law, Israel continues to construct settlements and the Wall in the Occupied Palestinian Territory, especially in and around East Jerusalem, where the occupying Power also continues, inter alia, to demolish Palestinian homes, to evict Palestinian families from their homes, to confiscate Palestinian land and properties and to carry out excavations in the City, including in the vicinity of Al-Haram Al-Sharif compound.

NAM reiterates its demand for the immediate cessation of all Israeli violations of international law, including humanitarian and human rights law, including an end to its illegal blockade on the Gaza Strip and all settlement activities, which are deepening the suffering of the Palestinian people and undermining the prospects for peace. NAM calls upon the international community, particularly the Security Council, to uphold its responsibilities and to take the necessary action to compel Israel, the occupying Power, to comply with all of its legal obligations, including under the Fourth Geneva Convention, and with its commitments under the Quartet Road Map.

NAM calls for a redoubling of efforts aimed at the achievement of a just, lasting and comprehensive peace on the basis of the relevant United Nations resolutions, the Madrid terms of reference, the Arab Peace Initiative and the Road Map. In this regard, NAM reaffirms its unwavering support for the realization by the Palestinian people of their inalienable rights, including their right to self-

Statement of the Ministers for Foreign Affairs of the Republic of Armenia, the Republic of Belarus, the Republic of Kazakhstan, the Kyrgyz Republic, the Russian Federation, the Republic of Tajikistan and the Republic of Uzbekistan

New York
26 September 2009

The Ministers for Foreign Affairs of the Republic of Armenia, the Republic of Belarus, the Republic of Kazakhstan, the Kyrgyz Republic, the Russian Federation, the Republic of Tajikistan and the Republic of Uzbekistan express their support for the initiative of the Russian Federation to develop and conclude a European Security treaty, as well as the intention of the States members of the Collective Security Treaty Organization to contribute to furthering that initiative in various international environments.

The Ministers for Foreign Affairs of the States members of the Collective Security Treaty Organization particularly emphasize the importance of establishing a sustainable system of collective international security based around universally recognized principles and standards of international law, of having the United Nations occupy a central role in connection with peacekeeping and international security, and of making it unacceptable to isolate any State or to enable the emergence of zones with unequal levels of security.

The Ministers favour a system of unified, equal and indivisible security for all States in the Euro-Atlantic and Eurasian areas and underline the need for strict adherence to the commitment made by States at the highest level not to strengthen their own security at the expense of others' security.

The Ministers call for meetings between leaders of the Collective Security Treaty Organization, the North Atlantic Treaty Organization, the European Union, the Commonwealth of Independent States and the Organization for Security and Co-operation in Europe to discuss the security strategies adopted within those organizations, as the first step towards establishing an indivisible area of security.
